**February 2018**

**Our anniversary party went off without a hitch. There was plenty of food, music and dancing. About 85 members and guests were present. There were a lot of car motorcycle, hot rod and airplane stories.**

**On Wednesday January 17th we participated in the Discover Sun City Day event. We showcased our bright red 1988 Corvette Roadster raffle car. We sold many raffle tickets and signed up a few new members as well.**

**We are all looking forward to our new digs. Things are progressing nicely and we will be needing to recruit monitors and train them soon. Contact Tom LaVack if interested.**
