## MAY 2018

Here it is May already and many of the Winter residents have headed to cooler climates for the Summer. Ed Gordon left us with some fine pictures, as usual, and said this will be the last newsletter until Fall.

J. W. Burrows, president of the C.A.R.S. club and our president, Troy Janicki have been working on setting up a joint car show for sometime in November. The show will be at Union Hills & 91<sup>st</sup> Ave. This will be a paid show – they want 50 cars, 25 from each club and will give the clubs \$10 per car. Watch for more information this fall as the details get worked out.

### April 3rd, 2018 Car Show and Potluck-

This was a great success and everyone had a good time playing Mini Golf and there were many winners.

The Raffle drawing was a good way to give everyone a chance to go home with a prize.

Thanks to all the chefs for making the wonderful food for the potluck.

**April 20th Car Show at Bell Rec Center - the last show of the Spring 2018 Season had a good turnout of cars and the weather was great. Raffle Tickets were sold at the car show as well as t-shirts and other Vintage Vehicle memorabilia, mostly by our hard working club ladies**

## THE SHOP

**Monitor training at the shop is under way and available for everyone to take.**

**Please volunteer your time and effort to make this a success. Many tools have been purchased, and Richard says he needs people to show up and help get the shop set up and ready to go.**
