October 20th Car Show at Sun Dial Rec Center

The first car show had a good turnout with 30 cars attending.

Don Ahrens is collecting pennies for a Penny Count Jar for the March Car Show. Drop off your pennies at the shop.

We need articles for the newsletter and information from members for Builders Corner.

Builders Corner GARY HUSKING – 1932 FORD COUPE

I am married to my wonderful wife Judy and we have one son and 1 granddaughter. I've been interested in cars as far back as I can remember. I've lived in Oregon most of my life before retiring and buying homes in Arizona and in Alexandria, Minnesota to be near our son and granddaughter.

I attended Benson High in Portland which was an all boys tech school and joined the automotive program. I didn't go into a program where I could use the skills acquired, but worked on my own vintage cars from then on. Prior to moving from Oregon, I sold everything in my shop including my '61 Impala bubble top which I owned nearly 30 years, my '62 Corvette, and my 46 Chev project car which was unfinished. I've had numerous cars over the years and there are a couple that I wish I still had. I now have a black '32 Ford – chopped 3 window coupe which I purchased here in AZ and a '29 Ford pickup in primer which is my cruising vehicle in Minnesota. We enjoy spending our winters in AZ and truly love the fact that my '32 can be driven in the winter without worrying about daily rain or snow. *Gary Husking*
