### Snowbirds are Back

Think about giving some of your time and ideas to VVSC, Monitor in the shop; bring your ideas about activities, cruises. Provide articles for the Newsletter. Sell raffle tickets for the Corvette. Help solicit items for the March Car Show goodie bags. Sign up to help at the March Car Show. There are many areas that can use your help – Parking; Registration; Helping at the booths selling raffle tickets for the prizes; selling club shirts, etc. If everyone could help only 1 or 2 hours would be great. This is your car show. Please participate.

Don Ahrens is collecting pennies for a Penny Count Jar for the March Car Show. Drop off your pennies at the shop.

## Builders Corner - ED GORDON

My love of cars started early, my first victory was at age 10.

Thirty two years later, this is my final victory. In between, I won fifteen state championships, one national championship. I raced motorcycles, ATV's and cars on asphalt, dirt and ice.

What does a retired racecar driver do now???

Build hotrods!

This is a 1927 track T, a complete build.

This is a merger of two cars.

The bodywork took a while.

Over the years I have enjoyed building cars and now I love our Vintage Vehicles Car Club and my new friends. Here are a few of the cars.

1929 Ford 4 door

My 1929 Ford roadster.

This is my Chevelle and Porsche. The Porsche is the one car I wish I still had.

This is a 1930 Austin with a 302 engine. I called it the nose – you can see why.

This is the car I have now a 1930 Ford Model A, 5 window.

Now let's hear from other members about their cars and the stories that go with them. Contact Ed Gordon 720-447-4045. Email [jrwaldo59@yahoo.com](mailto:jrwaldo59@yahoo.com). I will come take photos and record your stories.
