## Favorite Recipes

Thanks, Yvonne Ahrens, for submitting her recipe for Fruit Pizza.

**Crust** – Mix  $\frac{3}{4}$  cup soft oleo,  $\frac{1}{3}$  cup powdered sugar. Add  $1\frac{1}{2}$  cup flour. (I use my hands). Put into 9 x 13 glass pan or large pizza pan. Bake 300 degrees until edges brown. Approx. 20 minutes. Cool.

Mix together 8 oz soft cream cheese,  $\frac{1}{2}$  cup sugar and 1 tsp vanilla and top cool crust. Add fruit.

**Glaze** – 2 T cornstarch, 1 c pineapple juice,  $\frac{1}{2}$  c sugar. Heat to boiling and starts to thicken. Cool.

If you are looking for something to do at the shop, there is a task list on the board. It would sure help out if others would do these instead of the same guys always taking care of this kind of thing.

Outside cage –

- 2 jacks on table – tear apart and save steel – set aside or salvage
  - Vise on table – unbolt and save
- Cut welds on table top all 4 corners  
Grind off welds from top, save the top (rest of table to be scrapped) 8

## McDonalds 4/10/2019

---

**Our Sponsors and friends at Western bank told us their alarm has been going off for no apparent reason. They figured out it only happens on Wednesday night about the time the cars are leaving the McDonald's car show. Loud exhausts, perhaps?**

### Car Show 4/19/2019

55 cars attended the last car show. There were a couple of great wheelchair races. Thanks to those that participated. It was lots of fun.

*This will be the last newsletter until Fall. Still need articles for future newsletters. Send to Verna at [vernaaz@gmail.com](mailto:vernaaz@gmail.com). See the NEWS & EVENTS pages on the website during the summer for any changes.*
