Letter from the President

Hi All,

Let me take this opportunity to welcome back all the members from what seemed to be a long summer and a big welcome to all the new members that joined our club during this time.

Our club has grown exponentially in both membership and shop activity. Please stop by the Shop and see what's new.

The RCSC has broken ground on the Grand Ave Project. Building #1(the old restaurant) should be completed sometime in March 2020 and Building #2, our Shop, soon after that. The building committee spent a lot of time coming up with a workable design. You can see a preliminary layout that is posted at the Shop.

According to RCSC Policy, this will be my last year as your President. It has been an honor and privilege serving you. We have made great strides in achieving many goals since I took Office, including a temporary shop and next, a new shop. Please extend the same courtesy that you have shown me to the incoming President. Please consider running for a position on the board and bring new experience to better the club. There will be a lot of work to be done in the next couple of years with the new shop so please continue your support and lend a hand wherever you can.

One of our members brought it to my attention that SCHOA will be amending the CCR's. Please visit their website at <https://www.suncityhoa.org/> to view the current CCR's and proposed amendments. We may need further clarification on Section VI: Vehicle Restrictions. These can greatly affect our ability to work on and repair our vehicles at our own homes.

Thank you for all you do,

Troy Janicki

President

Car Show October 17 - Sundial Center

There were 25 at the CAR SHOW at Sundial. Lots of fun watching the wheelchair races. All were winners even if one entrant did get a little wet.

Favorite Recipes

Thank you Roxie Whitney for your Lemon Pie recipe.

Lemon Pie

1 large lemon, seeds removed, quartered. Leave peel (rind) on.

Scant 2 cups of sugar.

4 whole eggs

1/2 cup melted butter

Blend all of the above ingredients together in a blender. Pour into an unbaked pie shell. Bake 40 to 50 minutes at 350 degrees.

Test with knife to see if it is done.

This is one of the easiest and quickest ways to make a good lemon pie. Whipped cream may be added if desired when served.

I will need more recipes for future newsletters. Please email to vernaaz@gmail.com
