Letter from the President

After six months in Montana Connie and I are back in Sun City. We weren't too eager to leave but as of this morning there was 12" of that cold white stuff to be shoveled there. We can't even buy a sun shovel here so it's good that it doesn't pile up too deep. We are glad to be seeing our Sun City friends at unofficial cruise ins at Micky D's on Wednesday and Peoria and 107th on Friday evenings.

Since we are still operating under RCSC's COVID restrictions, your Board of Directors and Officers held a meeting on October 13th at my house to discuss the normal board business plus the limitations of voting for rules and Directors & Officers. One suggestion made by an RCSC board member was to have us vote by email. Our Rules and Regs (R&Rs) don't allow for this type of voting and in order for us to be able to have the option to do this in future elections, we need to have an amendment to those R&Rs. Catch 22. One of my concerns is that some members do not do internet and would not know that a vote was being held. Until we can have an in-person membership meeting, proposal and vote the 2020 board will continue to serve in their current positions. As soon as we have a way to meet in a larger group than we now may, we will be seeking nominations of others willing to serve.

We do have a few changes; Ed Gordon has agreed to serve as First Vice President and Joe Warfel has offered to take Ed's position as Public Relations Director. These are board appointments which are allowed by the R&Rs to fill un-filled board positions before an election. I want to extend big thank you to these two for their willingness to continue service to our club.

Roxie Whitney has served three years in the Treasurer's position so the club will need a new person to serve here. We do have one person who has expressed an interest in taking this position but until having met with Roxie to understand the position, she has not fully committed and until that happens, I will not reveal her name. Again, thank you for your interest.

On another front, Kevin Cole, a very familiar face in the shop, has agreed to serve in the position of Shop Supervisor. This is an appointment position under and operating with our Shop Director, Stephen Fehn. The Shop Supervisor is heavily relied upon and utilized at the ARC Shop in Sun City West and is the person who approves that a member has the skills to or has the help to accomplish the tasks needed for their project. At ARC this position is required to be filled at all times or no new projects are to be allowed. Obviously, the Shop Supervisor position is still evolving and will likely require other members to serve when Kevin is unavailable. Another big thanks to Kevin for his dedication to our club.

Due to COVID uncertainties and time constraints we will not be able to hold our RCSC sanctioned, Spring Fling Car Show in March. Since this is VVSC's major fundraiser, all options including alternate fundraising suggestions are always welcome.
