Presidents Report Les Litzenberger, A Big Thank you to Joe Warfel for cleaning up the entry and moving the display boards. I am compiling a list of VVSC members that have passed. Look at the list and if you remember others, please add them to the list. One of the boards will be dedicated to these names. The honorary and purchased lifetime membership lists will be updated, hopefully by the end of the year.

Of the budget items we requested from RCSC, the highest priority is air conditioning. We have been led to believe that the compressor covers will be built, and we have permission to order the 14,000# lift.

Annual dues are, just that, Due. If you have moved or for some other reason your RCSC number has changed, that needs to be reported to the shop or the Membership Director so we can have accurate records.

The Annual Banquet will be on January 7th, starting at 5:30 pm at Fairway Recreation center. \$25.00 each, Buffet style and the same musical entertainment as last year so wear your dancing slippers.

It is time to select our representation on the RCSC board. You may pick up absentee ballots downstairs here at Lakeview or vote online via the RCSC portal or wait until in-person voting in December.
